

Sustainability Project Form

Please attach all documents relating to the project to the email when you send in this form. This includes all excel sheets, proposals, and any pictures that might be helpful to future students. Please fill this out as best you can upon completion of a project relating to sustainability. Send it to environmentalcenter@westminstercollege.edu when completed

Project name:

Group members:

Date of project completion:

Area of sustainability project relates to (Choose all that apply):

- | | |
|---------------------------|-------------------------|
| Co-Curricular Education | Curriculum |
| Research | Buildings |
| Climate | Energy |
| Grounds | Purchasing |
| Waste | Transportation |
| Water | Coordination & Planning |
| Diversity & Affordability | Human Resources |
| Investment | Public Engagement |
| Dining | |

Describe project, its goals, and target audience it affected or influenced:

What did you learn? What were the major accomplishments of the project?

What specific impact did the project have? (Example: How many kilowatt hours were saved? How much waste was diverted?):

What offices, administration, or campus entities did you work with on this project?

Student Life	Maintenance
Grounds	HWAC
Food provider	Senior Administration Team
Alumni House	ASWC
Environmental Center	Center for Civic Engagement
Other	

What barriers did you encounter while working on this project? How did you overcome them?

What are some next steps future students looking to work on similar projects could take?

What skills did you develop over the course of the project?

Can future students, faculty, and staff contact you about this project?

Email addresses of group members willing to be contacted:
